

Select Spectrum LLC  
Robert Finch, President  
820 Great Cumberland Road  
McLean, VA 22102

This (this "Agreement") describes the terms and conditions by which \_\_\_\_\_ ("Bidder")  
\_\_\_\_\_ ("Bidder")  
may participate in a Spectrum Lease Auction to acquire Educational Broadband Service ("EBS") or Broadband Radio Service "BRS" spectrum rights. The Spectrum Lease Auction will be managed by Select Spectrum LLC ("Select Spectrum") as described below.

Select Spectrum intends to conduct a Spectrum Lease Auction for the lease, sublease or acquisition (collectively, "Lease") of 2.5 GHz spectrum rights licensed to educational and other organizations (the "Spectrum Rights Holders") listed on Attachment 1 hereto (the "Offered Spectrum Rights"). Bidder understands that Select Spectrum's services are non-exclusive and that Select Spectrum may solicit and obtain multiple bids for the same Desired Spectrum Rights (as defined below). Bidder further agrees and acknowledges that Select Spectrum is providing listing, consulting and valuation services to Spectrum Rights Holders for which it may receive separate compensation, and that it is in Select Spectrum's interest to obtain the highest practical valuation for the Lease of the Offered Spectrum Rights.

### **Bidder Obligations**

On or before a date designated by Select Spectrum for the making of initial bids (the "First Bid Date"), Bidder may submit its bid(s) for the Lease of one or more of the Offered Spectrum Rights (the "Desired Spectrum Rights") electronically via <http://SpectrumLeaseAuction.com>. Bidder is not required to submit any bid, and will not owe any payments to Select Spectrum unless Bidder is able to Lease spectrum rights as defined herein.

### **Select Spectrum Services and Obligations**

Select Spectrum agrees to provide the following non-exclusive services:

1. Select Spectrum will provide updates to Attachment 1 occasionally and will provide the last update and definitive list one week or more prior to the First BidDate.
2. Select Spectrum will make available on its web site ([www.selectspectrum.com](http://www.selectspectrum.com)) a map of the Geographic Service Area ("GSA") for each of the Offered Spectrum Rights and an estimate of population covered by each such GSA.
3. Prior to the First Bid Date, Select Spectrum will contact Spectrum Rights Holders and, where possible, will provide Bidder with additional relevant non-proprietary and non-confidential information about the Spectrum Rights Holders and/or the Desired Spectrum Rights. Such

additional information may include (a) the preferred start date for a new spectrum lease, (b) whether any party has an existing lease and when that lease will end, and (c) any other rights that may have been provided under an existing agreement such as an existing lessee's right of first refusal.

4. Select Spectrum will provide a standard format that Bidder must use to place bids, which will include information such as bidder identification, proposed lease start dates and duration, proposed renewal terms, and financial terms. The format will allow Bidder to also include any supplemental information to encourage a Spectrum Rights Holder to accept its bid.
5. After the First Bid Date, Select Spectrum will forward Bidder's bid and other bids for each of the Desired Spectrum Rights to the respective Spectrum Rights Holder along with Select Spectrum's financial analysis of such bids. Spectrum Rights Holders will substantially control the process following receipt of bids received by the First Bid Date, which may include additional rounds of bidding and/or negotiation with more than one bidder. Bidder may elect to participate in any additional bidding process that the Spectrum Rights Holder elects, or may decide to cease bidding at any time.
6. Select Spectrum will inform Bidder of the Spectrum Rights Holders' decision with respect to received bids. Bidder may elect to participate in any additional bidding process that the Spectrum Rights Holder elects, or may decide to cease bidding at any time. If Bidder is provisionally selected by any Spectrum Rights Holder and begins Lease negotiations, Select Spectrum will assist Bidder and Spectrum Rights Holder with business negotiations to facilitate the parties reaching a mutually-acceptable Lease. Select Spectrum does not have legal expertise and cannot provide legal advice and recommends that a qualified attorney review and, if necessary, prepare the proposed Lease on Bidder's behalf.

### **Compensation**

Select Spectrum will provide the services described above at no charge to Bidder. No fee shall be owed by Bidder to Select Spectrum unless and until the Lease becomes effective ("Effective Date"). If during the term of this Agreement or for six months afterward, Bidder or its affiliate signs a Lease for any of the Offered Spectrum Rights, then Bidder shall pay Select Spectrum a Lessee Contingent Success Fee ("LCSF") based on the net present value of the Lease over its maximum term using a 10 percent discount rate (the "NPV"). For a typical Lease, which will have an NPV of less than \$1 million, the LCSF will be the greater of six percent (6.0%) of the NPV or \$6,000. For any higher value Leases (above \$1 million), the LCSF will equal \$60,000 plus:

- 5% on NPV amounts between \$1 million and \$2 million, plus
- 4% on NPV amounts between \$2 million and \$3 million, plus
- 3% on NPV amounts between \$3 million and \$4 million, plus
- 2% on NPV amounts between \$4 million and \$5 million, plus
- 1% on NPV amounts over \$5 million.

An example of the NPV and LCSF calculations is shown in Attachment 2. Bidder will ensure that the Lease requires that the LCSF will be payable to Select Spectrum simultaneously with any upfront or initial payment and no later than the Effective Date. The upfront payment for each lease must equal at least the greater of \$10,000 or ten percent (10.0%) of the total lease NPV as calculated in Attachment 2. LCSF payment obligations will remain in effect for any transaction Bidder completes for any of the Offered Spectrum Rights within six months following the termination date for this Agreement as described below.

#### **Fee Reduction**

If the Spectrum Rights Holder has signed an agreement with Select Spectrum that will result in a payment being due from the Spectrum Rights Holder to Select Spectrum in conjunction with the Lease, then the LCSF payable by Bidder to Select Spectrum under this Agreement will be reduced to equal one-half (50%) of the Bidder's LCSF that would otherwise apply.

#### **Prior Agreements**

If Bidder previously signed a different agreement that would provide for a fee to Select Spectrum, then the fee previously agreed shall not apply and only the Fee specified in this Agreement shall apply.

#### **Alternative Spectrum Rights Transactions**

To the extent allowed by FCC rules, Bidder may choose to purchase a license, to sublease spectrum or to acquire lease rights, all of which are referred to as a "Lease" in this Agreement. For the purposes of calculating and paying the LCSF any transaction where Bidder or its affiliate acquires rights to use any of the Offered Spectrum Rights, the transaction will be treated the same as a qualifying Lease of Offered Spectrum Rights, all payments agreed by Bidder or its affiliate will be treated as if they were lease payments and the Bidder will pay Select Spectrum the calculated LCSF for any completed transaction

#### **Confidentiality, Non-Circumvention and Anti-Collusion**

Bidder agrees to maintain confidentiality for any information provided by Select Spectrum that is identified as "Confidential". Bidder further agrees that competition to lease Offered Spectrum Rights must be fair and that it will not collude with any other entity that may compete to lease or buy Spectrum Rights concerning the amount or structure of any bid. Bidder also agrees that, if it or its affiliate Leases any of the Offered Spectrum Rights whether through the Lease Auction or otherwise during the term of this Agreement, Bidder will be obligated to pay the LCSF to Select Spectrum.

#### **Representations and Warranties**

Bidder represents that it is legally qualified to Lease EBS spectrum rights and that the person signing this Agreement on behalf of the Bidder is legally authorized to do so and to bind Bidder to the terms hereof. Select Spectrum represents that it is a Limited Liability Company organized in the Commonwealth of Virginia and that Robert Finch is legally authorized to bind Select Spectrum to the terms hereof.

**Limitation on Liability; No Joint Venture**

Bidder understands that Select Spectrum is providing a platform for bids and the additional services specifically described herein, and does not represent Bidder for any purpose other than as specifically described herein. Accordingly, Select Spectrum shall not be liable hereunder for any claims, losses, or damages that Bidder may incur as a result of the Lease Auction described herein. This Agreement does not create a joint venture or partnership between Bidder and Select Spectrum.

**Termination**

This Agreement shall terminate one year following the First Bid Date.
